As mentioned I have no template motions to work off of from my legal property because Mid-hudson is illegally withholding that legal property.

Likewise I have no access to Noss Leas as the freedom team won't give me the 1hr allotted per week which is also illegal etc.

In fact my mail is blocked and tampered with, Conclusion.

In this motion I deem it quite clear that I present the case that the 6 year statute of limitations applies

back to July 24, 2008

since the

1. False arrest
2. False psychiatric Evaluation

unfit for trial.

~~nonsense stated~~

leaving me with no access to my legal material, nor does Leo... actually mail blocked & tampered with 2 ~~documents~~ have discovered so even if I had motions prepared I had no access to the courts.
